I know him....a few years ago we talked him into staying with us rather than moving his account to Kingate. I have left a call for him this morning and will advise after speaking with him.

who speaks to Grosvenor?? they are redeeming \$12mm or so..

I am seeing Offivalmo on Monday in Paris, who are redeeming abt \$14mm..they found this other vehicle with better liquidity terms, will find out more..

Kim Perry thinks we can sell assets in a £class...I think he may be correct...is this alot of work to do, and if we only raise \$20mm or so, is it worth it??
